## TRAINING THOSE IN OUR CONGREGATIONS TO OPERATE IN THEIR GOD-BREATHED CALLINGS.

Impact Weekends are inspiring, relevant, and intensely practical. The instruction includes interactive lectures, videos, Q&As, and small group discussions. Those doing the teaching and training will be various OFN pastors and leaders.

The relationships forged in each cohort prove as vital as the skills and insights acquired. This allows leaders from the various OFN congregations to both learn from each other and aid in forming relationships that bond our congregations together.

Corporate worship becomes a central tenant to who the Church is and what the Church does when the people of God gather together. The depth and width of a local church's worship hinge upon those who lead the church into the worship expressions. This will be a special Impact Cohort centered around developing quality worship teams.

***"You cannot divide human beings into those who worship and those who don't. Everybody worships; it's just a matter of what, or whom, we serve."***

**—Paul David Tripp**
